Dear Mr. Hunter:

On behalf of the U.S. Department of Veterans Affairs (VA), Center for Verification and Evaluation (CVE), I am writing to inform you that Bac Si Controls LLC has been verified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) and added to the Vendor Information Pages (VIP) at <http://www.vip.vetbiz.gov>. Bac Si Controls LLC will be eligible to participate in Veterans First Contracting Program opportunities with VA.

This verification is valid for three (3) years from the date of this letter. Please retain a copy of this letter to confirm Bac Si Controls LLC's continued program eligibility in accordance with 38 Code of Federal Regulations (CFR) § 74.12. You may reapply 120 days prior to your expiration date by logging in to your VIP profile.

While CVE has confirmed that Bac Si Controls LLC is presently, as of the issuance of this notice, in compliance with the regulation, Bac Si Controls LLC must inform CVE of any changes or other circumstances that would adversely affect its eligibility. Eligibility changes not reported to CVE within 60 days could result in a referral to the Office of Inspector General (OIG), a referral to the Debarment and Suspension Committee, and the initiation of cancellation proceedings—all of which could result in Bac Si Controls LLC being removed from the VIP Verification Program.

Please be advised all verified businesses may be required to participate in one or more post-verification audits at CVE's discretion. Additionally, this letter and other information pertaining to Bac Si Controls LLC's verification application may be subject to Freedom of Information Act (FOIA) requests. However, FOIA disclosures include exceptions regarding the personal privacy of individuals, and VA policy similarly provides limitations on the release of individual records.

If Bac Si Controls LLC receives a negative size determination from the U.S. Small Business Administration (SBA), CVE must act in accordance with 38 CFR § 74.2(e). Also note, if at any time Bac Si Controls LLC discovers that it fails to meet the size standards for any NAICS Code(s) listed on its VIP profile, CVE requires such NAICS Code(s) be removed within five (5) business days. If the NAICS Code(s) are not removed within the allotted five (5) business days, CVE may request SBA conduct a formal size determination. In addition, CVE may initiate a referral to OIG, a referral to the Debarment and Suspension Committee, and pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in Bac Si Controls LLC being removed from the VIP Verification Program.

Thank you for your service to our country and for continuing to serve America through small business ownership.

Sincerely,
